**PROPOSED LCP AMENDMENT SUMMARY
LCPA 07-03 – MISCELLANEOUS ZONE CODE AMENDMENTS**

The City's Zoning Ordinance is the implementing ordinance for the City's Local Coastal Program. Accordingly, this Local Coastal Program Amendment is necessary to ensure consistency between its proposed amended Zoning Ordinance and its Local Coastal Program. This specific Zone Code Amendment is as follows:

This proposal is City-initiated and consists of a request for a recommendation of approval for a Zone Code Amendment and Local Coastal Program Amendment for various minor and unrelated amendments to the text of the Zoning Ordinance. The primary purpose of the Miscellaneous Zone Code Amendments project is to address many unrelated "clean-up" items that exist in the code in one amendment action. Most of the amendments proposed are clarifications or are procedural in nature, and any new requirements proposed are not significant changes from existing policy. No development of any property is proposed as part of this project.

If you have any questions, please call Corey Funk in the Planning Department at (760) 602-4645. Written comments should be sent to the Planning Department at 1635 Faraday Avenue, Carlsbad, California 92008.
